## Help a Child with School Supplies

Children need the proper tools to achieve success in school. Often these tools are as simple as paper, pencils or crayons. A child with adequate supplies is at an advantage when it comes to success in school and ultimately life. You can help support education by donating school supplies for our local school children. The Optimist Club of Algoma is sponsoring the collection of school supplies for the upcoming 2015-2016 school year. Donated supplies can be dropped off at the Algoma Public Library during business hours.
