Pardon Our Mess!

We are making some changes and we apologize for any inconvenience it may cause you. As we start moving books around and reorganizing items may be harder to find. Don't worry, we understand. Just stop one of the librarians and ask. We are happy to help you find what you are looking for. All the changes will make it easier to find items in the library. This project is going to take us awhile so we thank you in advance for your understanding.

Did you know we have Children nonfiction books? We are currently working on reorganizing our nonfiction collection. Children's Nonfiction will be found by the circulation Reference area and on the back side of the Adult Mystery Fiction.
