What a year it's been! We started with new carpet, hosted a variety of programs, celebrated 50 years in our building, and launched the JobPod. We were also fortunate to receive grants and donations that helped support our programming and resources, allowing us to expand and serve our community in exciting new ways. From offering access to public computers and Wi-Fi, to supporting lifelong learning, job seekers, and more—we're proud to be a hub for everyone.
